

2017 Animal Welfare Approved Beef Order Form

Name: _____

Address: _____

E-mail Address: _____

Phone Number: _____

Beef Options:

Half (Side): You get the entire front and hind quarter)

\$3.75 per pound hanging weight which includes all normal processing costs. Typical hanging weight is 350-400 pounds with around 35% weight reduction between the hanging weight and final processed cuts due to deboning and trimming of the carcass during the custom processing based on the cutting choices you make. (Fewer cuts with bone = less weight)

\$600 deposit per side (Balance due upon at delivery/pick up based on recorded hanging weight)

Quarter - Mixed Spit Side (You get an equal portion of hind and front quarter).

\$3.75 per pound hanging weight which includes all normal processing cost. Typical hanging weight is 175-200 pounds with around a 35% weight reduction between hanging weight and final processed cuts due to deboning and trimming of the carcass during the custom processing based on the choices you make. (Fewer cuts with bones = less weight)

\$300 deposit per quarter (Balance due upon delivery/pick up based on the recorded hanging weight)

- All orders must include the non-refundable deposit. Balance due when you receive your beef.
- Custom processing done at Weber Meats in Cuba City WI based on your choices. Weber Meats will assist you with the processing choices at time of delivery.
- Product delivery in Madison and surrounding areas scheduled by Double Ewe Farm
- Beef is available on a limited basis from February to April of each year. Please email or call ahead for current availability.

Please make check payable to Double Ewe Farm and mail deposit and completed form to the address shown below. All beef is on a first come first served basis.
